Respondent,

v.

Arron Walker

(your name)

Appellant.

No. 54506-3-11

STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Arron Walker, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

-NO CONTACT ORDER VIOLATION - The State failed to show evidence of where the phone call to Magdalena Montes came from. And ALSO the police investigating failed to contact the person who called Magdalena Montes the police can very easily get the name and Address of the unknown caller that day, but did not.

Additional Ground 2

-Tampering with A witness - the phone call to Hernandez, Scarlet & legal advocate I made was to get assistance on how to obtain my apartment key through the courts and help with police, because I had no lawyer at the time to help me while the case is pending. I have no Law School education I do not know what motion to file to obtain my key. I contacted the Longview police to go to the woman shelter to get my key they said they cannot be any assistance because the house is protected.
